### *Application Essay*

Please choose one of the following topics and respond in a typewritten essay of 250-500 words

- 1) Choose a public figure at the local, national, or international level that has been a major influence for you. This person may come from any field you may choose. Describe this person's character and accomplishments, and give some sense of her or his effect on you.
- 2) Choose a major issue facing the local, national or international community today. Analyze the sources of this issue and suggest how you would address it.
- 3) What is the meaning of citizenship? Do United States citizens have any obligations that go beyond merely obeying the law? If so, what are some of these obligations, and why are they important? Is the idea of "global citizenship" meaningful to you? Why or why not?
