

Distinguished Alumni Award

One of Salve Regina's highest alumni honors, the Distinguished Alumni Award honors Salve Regina alumni who have demonstrated outstanding professional and personal development either through traditional channels or innovative approaches. Honorees have distinguished themselves through contributions to community, family or professional service, providing a role model for students and alumni and have demonstrated a meaningful commitment to their alma mater. In 2007, the Distinguished Graduate Alumni award was established to recognize the outstanding accomplishments of alumni with advanced degrees from Salve Regina. Presented during Fall Festival Weekend.
